To all my American Landsmen

Hello out there all of my American "landsmen!" Are you awake? Are you groggy from your sleep? Can I speak to you about serious things, or are you still sleeping deeply in your pajamas peacefully curled up under the cover not wanting to hear a thing? But I will scream in your ears and wake you up and force you to listen!

You just had an earthquake over a huge area of the U.S.A. including Washington DC, New York City, Lakewood, Toronto, Chicago, Cleveland. Do you believe it? Have you ever heard of such a thing since the beginning of this century and before? What do you think it's about? Are you going to say, "Oh, well there is a fault here so it could happen. Lets go back to sleep. Nothing really happened. Only some people got slightly injured and frightened but nothing happened. Good night we can go back to sleep."?

Fools, fools, you are going in the direction of oblivion, *Chas Vesholom*. Fools, don't you see that *Hashem* is warning you? *Boruch Hashem* there were only slight injuries but it's a warning. It's a kindness to you, a warning that things are going to be much more difficult. Don't you see that the world has changed and that your precious United States has become a dictatorship? Don't you see that you are in danger?

Fools! *Hashem* wants you to break away from the *Egel HaZahav*, from the false *Yiddishkeit* that you have created to serve your own needs, your own wants, your own lusts, not paying any attention to *Ratzon Hashem*. You've built a lie, my dear *Frum*, so-called *Frum* fellow Jews and now *Hashem* refuses to let you continue, because if you continue in that direction you will ruin all of creation, *Chas Vesholom*, and that cannot be.

No matter how much money you have or how much power you think you have, *Hashem* is *Hakol Yochol*, *Hakol Yochol* do you hear? Not you, "Moishe Groiss" you are not *Hakol Yochol*. *Hashem* is *Hakol Yochol!!!* And He is going to destroy you if you don't come back to Him. If you don't go on the right path you *Chas VeSholom* could destroy creation and that can't be. That

can't be. So I suggest my dear "Landsman" that you pick yourselves up throw out all the garbage that you collected, all the electronic toys, all the restaurants that you visit, all the gluttony, all of the lack of *Kedusha*, all of the terrible, terrible lapses in *Taharas HaMishpocha*, all the *Loshon Horah* all the *Machlokes*. Get rid of it all and come back to *Hashem*. This strong earthquake that shook up so much of *Frum* America is only a tickle and after that will come the really difficult times. And then don't say, "But I did not know," because it will be unacceptable.

Q: How can a person destroy all of creation?

A: First of all we are not talking about one person. We are talking about a group of *Yidden* that are supposed to be the closest to *HaKodosh Boruch Hu* but they are pulling most of *Yiddishkeit* into a totally different direction. It is a direction that is totally against *Hashems Ratzon*. If the *Erev Rav* and *Amalek* would *Chas Vesholom* continue the way they are going without being stopped, then Hashem would have to destroy all of creation *Chas Vesholom*. *Hashem* loves us and He will save every true *Yid* who stood at *Har Sinai* and in the end does *Teshuva*.

Q: Why do you consider an earthquake a message? It's like thundering and lightening that happens all the time. It's part of the creation.

A: The difference is that nobody in the last generation has heard of such a large earthquake in any of these areas. It is not known as an earthquake area, even though some of the area is on a fault. There are not usually earthquakes there. Therefore *Hashem* has put an earthquake where most of the *Frum Yidden* live, and He has made it very clear that it is an unusual event, a very unusual event. And if we Jews forget that we are taught that everything that happens in the world is about us, telling us that we have to do *Teshuva*, then we have lost it.

Q: Children like you have been talking to us for years (about 17 years).What's this message different than messages about all the other things that have happened?

A: What is different is that now we can see with our bare eyes, with our human eyes that the world has changed 180 degrees in only a few years. When we used to say this before, maybe it was hard for some people to digest, for most people to digest, but now only a fool can't see what's happening. The world is being run by a bunch of mafias, by a bunch of godfathers so to speak, a bunch of crazy ruthless people that are trying to turn the world into a

chaotic mess. And all of the world is afraid of them and doing their bidding, but *Hashem* will not allow it. And everything is written in the *Nevuos*, and if you have half a brain go and learn and you'll see that everything that's happening now has been written, so that when we come to this point in history we will realize that we are in the midst of the birth of the *Geulah* and we must get through this most difficult time, the time of the birth itself. In order to be saved we must return to *HaKodosh Boruch Hu* with all our hearts and souls, with everything that's ours, ready to give up everything *Gashmiyusdik* to get close to Him and to do His will.

Q: If you say that this earthquake is so impressive, shouldn't we look at ourselves as great *Tzaddikim* because nobody was killed, and obviously *Hashem* is looking at us as *Frum Yidden* and *Hashem* is protecting us?

A: Just the opposite. This is the kindness of *HaKodosh Boruch Hu* that He is giving us a warning that makes fear but doesn't kill. He is trying to be good to the *Yidden*, to be gentle with them. But there will be an end to His patience (*Kaveyochel*).

I just want to beg *Klal Yisroel*. Save yourselves! Save yourselves! I am not going to go into all the things that you must do, but one thing I will tell you *Kedusha, Kedusha!* You have lost your *Kedusha, Am Yisroel* in America and in Europe. Once you were so pristine, so *Kodosh*, but now you have become stained and dirty like the *Goyim*.

Many homes do not keep *Taharas HaMishpocha* as it should be. Many terrible *Aveiros* are happening because of the *Pritzus* of the men and the women. *Heterim* by *Rabbonim* are given out like lollypops. And people have no qualms about watching films, videos, etc. The time that's wasted in stupid entertainment is immeasurable and your Jewish souls have become hard as rocks, have become hard like the *Goyim*.

In *Mitzrayim* twenty percent, at the most, of the *Yidden* left *Mitzrayim*. Even though all *Yidden* were considered *Frum* keeping their language, their dress and their names. However like in *Mitzrayim* this is not enough. Besides the twenty percent that left, the rest of the Jewish population in *Mitzrayim* still worshipped the Egyptian gods and that's what you are doing my dear American Landman. Today we *Frum* keep more or less our Jewish look our language and give Jewish names. However you are worshipping the modern western American gods and if you don't get rid of them, they will prevent you from reaching the *Geulah, Chas Vesholom*. (www.Dani18.com)
